Offer ends on October 31, 2011. Activation fee is \$99 and e-reader equipment fee is \$140. One year commitment required. If service is disconnected for any reason during the 12 month commitment period, the Activation and e-reader fee will apply. Service not available in all areas. Some restrictions apply. New customers only (no service in past six months). E-reader pictured may not be the model available. All e-readers given as incentives will be of like value.
